⁴If there's an open seat on a different flight that departs on the same calendar day as your original flight and it's between the same cities, you can get a seat on the new flight free of airline charges. If there isn't an open seat on this different flight, you can ask a Southwest Gate Agent to add you to the same-day standby list for a flight between the same city pairs that departs on the same calendar day prior to your originally scheduled flight, and you will receive a message if you are cleared on the flight. For both the same-day change and same-day standby benefits, you must change your flight or request to be added to the same-day standby list at least 10 minutes prior to the scheduled departure of your original flight or the no-show policy will apply. Based on the flight status contact preference selected during booking, the message regarding your standby status will be an email or text message with a link to access the boarding pass via the Southwest app, mobile web, or you can visit a Southwest Gate Agent to print off the boarding pass. If there are any government taxes and fees associated with these itinerary changes, you will be required to pay those. Your original boarding position is not guaranteed. Important: A-List Preferred and A-List Members must call 1-800-FLY-SWA* or see a Southwest Gate Agent to conduct a same-day change. If they proceed to do this online or at the kiosk, they will be charged for a difference in fare.
