

# Recycle It!

Follow this guide for what can be recycled\*

## Metal Cans

Empty and rinse before putting them into the cart. Labels are okay to leave on.

## Cardboard

Separate it from non-recyclable packing materials like bubble wrap. Discard if it is wet or soiled.

## Plastic Jugs & Bottles

Empty, rinse and replace the lid or cap before putting them into the cart.

## Paper

Only recycle clean and dry paper, never recycle food or liquid-soiled paper.

\*Recyclable materials vary by location, check with your local provider.
